

No zipper. No hassles. No kidding.

Skinny Sleeve for MacBook Air® 11 & 13

With inspired craftsmanship, the Acme Made Skinny Sleeve MBA 11 embraces and accentuates all the things you love about your MacBook Air: the nothing-there profile, a build that blurs the line between practicality and luxury coupled with lightweight, best-in-class performance. A unique stretch-stitch seam allows fully padded protection that's also ultra-thin and includes a sewn-in reinforcement guard on both sides. The stylish elastic band ensures that your MacBook Air stays securely inside the sleeve.

- ▷ Ultra-thin design won't add bulk to another bag
- ▷ Our unique StretchShell™ neoprene is both water and stain resistant
- ▷ Zipperless closure won't scratch your MacBook
- ▷ Sewn-in reinforcement on both sides for extra protection
- ▷ Stylish elastic band keeps the MacBook Air securely within the sleeve
