

Offering sophisticated stealth to DSLR protection

Union Photo Messenger

The Union Photo Messenger blends into the cityscape, keeping your equipment stylish and safe. It's ideal for high-activity shooters who walk/ride/skate (or simply don't want to look like a tourist on holiday in their own town). The exterior Bombshell technical fabric offers a durable, water-resistant and stylish flap to cover and protect your gear. A hidden exterior lens cap pocket and accessory pockets make this a great protective camera bag that's well outside the traditional mould.
