

# Pro Messenger AW Series

When everything feels right

**maxwell**  
INTERNATIONAL AUSTRALIA

When your gear feels right, your work goes more smoothly. This idea inspired the design of our Pro Messenger AW series. Its durable, yet soft exterior is reminiscent of classic canvas, but it's actually a modern performance fabric. It's built to fit pro-sized camera gear in configurations you've told us work best. And it has an innovative flap that effortlessly folds in half to quiet your moves and quicken your pace.

- **Soft-sided, discreet design**
- **Built to fit pro-sized gear**
- **Quiet and quick FlexFlap Design™**
