
Camera Pouch

Santiago DV 25

**Hard-shell protection with distinctive style,
designed for pocket video cameras**

Modern and sculpted. Protective and secure. The Santiago DV 25 pouch safeguards pocket video cameras with distinctive style. The pouch is crafted of a hard, ribbed shell with dense EVA foam padding. This construction ensures maximum protection from bumps and abrasion. Inside, an elasticised keeper strap secures hardware with a snug fit, and soft, brushed tricot lining helps protect the LCD screen and lens from scratches. An interior slip pocket provides convenient storage for a spare memory card. Additional features include: dual zipper pulls, a low-profile belt loop, and detachable shoulder strap.

Santiago DV 25 is available in Black, Lowepro Orange and Purple Rose.

FEATURES

Hard-shell construction

ABOUT LOWEPRO

Lowepro founder Greg Lowe established the company's reputation for quality and innovative design in 1967 when he introduced the world's first internal-frame backpack. More than 40 years later, Lowepro continues to revolutionise the industry with pioneering designs and superior quality with the most extensive line of protective carrying solutions for photographic and electronic equipment such as products for cameras, camcorders, notebook computers, imaging accessories and portable consumer electronics.

Lowepro products are distributed in more than 100 countries through photo, outdoor, computer, consumer electronic, mail order and online resellers, in addition to OEM partnerships, Lowepro offices are located in the United States, Canada, the United Kingdom, Australia, Switzerland and Germany.
