4.3 Navi™ Shield

A protective hard case for a GPS device and accessories

The **4.3 Navi™ Shield** from Lowepro is the protective and inventive way to safeguard your GPS device, power supply and SD or map extension cards. Its compact, slim shape is designed to fit in a glove compartment or sit in a stable position on a centre console. The **4.3 Navi Shield** features a durable, molded hardshell on the exterior and soft tricot lining on the interior. A protective, padded pocket with hook/loop closure secures a GPS device. Behind the pocket, a secondary compartment offers a mesh pocket to store a charger and cord, plus two convenient slots for extra SD cards. Inside the lid, you'll find a handy "cleaning station" with a built-in microfibre cloth to clean the delicate touchscreen. Additional features include a wrap-around dual zipper and a D-ring attachment.
