Versapack 200 AW

It looks like a modern daypack. It offers equal space for camera and personal gear. It's Lowepro's Versapack 200 AW backpack.

Versapack 200 AW is the ultimate dual-compartment DSLR backpack: lightweight, flexible and – like its name – incredibly versatile. Its inventive design offers a multitude of ways to pack and quickly access both camera gear and personal items. Its dual side-entry compartments provide fast access to camera gear; simply rotate to left or right to grab items from either side. Its lightweight yet durable performance fabrics and clever construction keep you nimble while on the move.

Photo enthusiasts and travellers will appreciate the compact design of the **Versapack 200 AW**. Simply take out the dividers, fold up and place in luggage for an easy, packable solution. For an urban or wilderness day trek, you can load the **Versapack 200 AW** to suit your needs.

The **Versapack 200 AW** is available in 2 colours: Black/Gray and Polar Blue/Gray.

Features and benefits

- | | |
|---|---|
| Dual side-entry compartments | ▶ provide fast access to gear – even while being worn – by rotating backpack to front via left or right sides |
| Lightweight, yet durable performance fabrics | ▶ provide a lightweight solution, before and after backpack is loaded |
| Removable, adjustable dividers | ▶ allow you to customise the lower compartment, create one large compartment, or fold down backpack to a compact size and pack in luggage |
| Dual-compartment, multi-use design | ▶ keeps personal items close at hand; upper compartment includes a zippered mesh pocket and key fob so you can be fully equipped for a day trek or photo outing |
| All Weather AW Cover™ | ▶ protects backpack from the elements and tucks away when not in use |
| Hideaway Tripod Mount™ | ▶ securely attaches tripod or monopod to backpack via top mounting strap and bottom cup holder |
| Organiser pockets on front panel | ▶ stores 2 small personal electronics, plus pens/pencils |
| Outside stash pocket | ▶ provides quick access to maps, guide books, etc. |
| 4 SlipLock™ attachment loops | ▶ expand carrying options by adding water bottle bag, lens cases, etc. |
| Compression straps with quick-release buckles | ▶ secure a light jacket or tripod to bottom of backpack |
